

Leed® Statement

We are proud to be a member of the U.S. Green Building Council

Exterior Sun Control Devices

LEED Statement

Potential Points

<p> EA Credit 1: Optimize Energy Performance</p>	Improved building energy consumption can be enhanced through the use of our Sunshades and Lightshelves via sun/light control and photovoltaics.	19
<p> MR Credit 4: Recycled Content</p>	Doralco's aluminum contains a minimum of 50% post-consumer recycled content.	2
<p> MR Credit 5: Regional Materials</p>	Our Sunshades are manufactured in Alsip, IL. Location of the project will determine the points applicable.	2
<p> IEQ Credit 4.2 Paints and Coating</p>	Coatings used in our standard interior finishes for our Lightshelves are within the VOC limits of Green Seal Standards GS-11.	1
<p> IEQ Credit 8.1 Daylight and Views - Daylight</p>	Our Lightshelves enhance daylight penetration into building spaces to achieve a greater daylight factor.	1

Grilles and Louvers

<p> MR Credit 4: Recycled Content</p>	Doralco's Aluminum contains a minimum of 50% post-consumer recycled content.	2
<p> MR Credit 5: Regional Materials</p>	Our Grilles are manufactured in Alsip, IL. Location of the project will determine the points applicable.	2
<p> IEQ Credit 4.2 Paints and Coatings</p>	Coatings used in our standard interior finishes are within VOC limits of Green Seal Standards GS-11.	1

Composite Panel Systems

<p> MR Credit 4: Recycled Content</p>	Our system attachment contains a minimum of 50% post-consumer recycled content. Our composite materials contain a minimum of 45% pre-consumer recycled content.	2
<p> MR Credit 5: Regional Materials</p>	Our Composite Panels are manufactured in Alsip, IL. Location of the project will determine the points applicable.	2
<p> IEQ Credit 4.2 Paints and Coatings</p>	Coatings used in our standard interior finishes are within VOC limits of Green Seal Standards GS-11.	1

Entrances & Storefronts

<p> MR Credit 4: Recycled Content</p>	Doralco's Aluminum contains a minimum of 50% post-consumer recycled content.	2
<p> MR Credit 5: Regional Materials</p>	Our products are manufactured in Alsip, IL. Location of the project will determine the points applicable.	2
<p> IEQ Credit 4.2 Paints and Coatings</p>	Coatings used in our standard interior finishes are within VOC limits of Green Seal Standards GS-11.	1
<p> IEQ Credit 8.1 Daylight and Views - Daylight</p>	Our Lightshelves enhance daylight penetration into building spaces to achieve a greater daylight factor.	1
